MEMORANDUM

TO: State Director, U-921

FROM: District Manager, Richfield District

DATE: JAN 19 1988

SUBJECT: Partial Mining Plan Review U-37863 through U-37912,
Crystal Peak Minerals Corporation

This office has reviewed the partial mining plan submitted by Crystal Peak Minerals Corporation in accordance with the 43 CFR 3592.1(f) regulations. We find the partial mining plan as submitted acceptable, well planned and constructed in an orderly and sound manner, all within the 43 CFR regulations.

We recommend that this partial mining plan be approved as submitted, with the following conditions:

Conditions of Approval

1. Only those operations proposed under the partial mining plan submitted December 1, 1987 are approved. Any proposed changes in this plan must be submitted to the BLM State Office, Salt Lake City, Utah 84111.
2. A reclamation bond shall be posted with the State of Utah, Division of Oil, Gas and Mining for these operations. This bond shall be acceptable to the State of Utah and shall not be relinquished until all reclamation has been completed.
3. Should dust become a problem during construction operations, the equipment staging area and access roads shall be sprayed with water or magnesium chloride from the lake.
4. Any archaeological or paleontological resource found or uncovered during these operations shall be left untouched and the BLM District Manager, Richfield, notified immediately.
5. Upon final abandonment of the site, all disturbed areas shall be reclaimed in accordance with the reclamation plan developed by the State of Utah, Division of Oil, Gas and Mining.

If you have any questions concerning this partial mining plan or the recommended conditions of approval, please contact Toby Mazanares at 801-743-6811.
